FURTHER INFORMATION

INTRODUCTION

Whether you're looking for something small, sporty, or spacious Nissan's Motability range offers you plenty of options.

In this brochure you'll discover the prices for a wide choice of reliable, well equipped vehicles – with a range of models available through Nissan's Motability Programme.

The price tables will help you decide which vehicles suit your finances. Simply select the model and transmission type that takes your interest and move along the table to the right. From here, you'll be able to see if an advance payment is required as well as how much of your DLA, PIP, AFIP, WPMS, CDP or ADP allowance your choice of car will use each month.

Whatever your lifestyle and budget, let us help you get behind the wheel of a brand new Nissan.

What is included in your lease?

Insurance – The Motability Scheme covers insurance, which is provided by Direct Line, this insurance also covers tyre and windscreen replacement.

Servicing & Maintenance – Servicing in accordance with Nissan schedules and routine repairs are covered. Your local Nissan dealer will contact you to arrange your service & MOT when due.

Breakdown Cover – RAC breakdown cover is included.

Electric Vehicle Charging – If you decide to take an Electric Vehicle, You'll receive a home chargepoint with a standard installation, or access to the BP pulse network of public chargepoints if a home chargepoint is not applicable.

Other Considerations:

Drivers: You can nominate up to 3 names drivers on your insurance policy, with the option to change them at any time.

Fuel – You will need to pay for fuel separately.

Good Condition Payment – If you return your car in good condition, you could be eligible to receive the Good Condition Payment from Motability Operations. The amount you receive depends on the length of the agreement: It's £250 for a three-year lease and £350 for a five-year lease.

Adaptations – A vehicle adaptation is a modification or addition to a vehicle that enhances accessibility, safety, or usability for individuals with specific needs. Speak to your local Nissan dealer to discuss what adaptation options may be available for you.

NISSAN JUKE – PETROL

The Nissan Juke redefines compact crossovers. Its dynamic design and sporty styling make a powerful statement wherever it goes. Equipped with Nissan's Intelligent driving technologies, it enhances your confidence, excitement, and connection to the world around you.

Key Features available from Acenta Premium Grade:

- 17" Sakura Wheels
- NissanConnect 12.3" Touchscreen Entertainment System
- Wireless Apple CarPlay® + Google Android Auto®
- 7" full colour TFT screen combimeter

REMOVABLE TOWBAR

NISSAN ARIYA

Experience a force of wonder: Enter Nissan's new era of 100% electric coupé crossover performance, design, and capability – and now being offered for Motability customers.

The Nissan ARIYA uses breakthrough Nissan technologies to help you with the more demanding parts of the drive so you can arrive feeling more at ease. Driver assist technologies can help to give you different levels of control.*

Drive smoothly and quietly with electric power on tap. The ARIYA is available in two battery sizes, the 63kWh power unit offers up to 250 miles** whilst the 87kWh power unit offers up to 330 miles** of range. With technology that plugs into your senses, chances are, you've never experienced something quite like the ARIYA.

Key features available on the Engage grade:

- Free 3 Year ZapMap Premium subscription***
- 130kW DC CCS Charging Rate
- Automatic Dual Zone Climate Control
- 19" Alloy Wheels with Aero Covers
- Rear view parking assist camera
- 12.3" TFT Screen with 12.3" Navigation Screen
- Intelligent Cruise Control*

The image displayed is for illustrative purposes and may include additional features not available on the grade listed above.

*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit www.nissan.co.uk/techterms.

**WLTP Figures shown are for comparability purposes. Actual real world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load.

***Terms and Conditions apply, please visit <https://www.zap-map.com/terms-and-conditions/>

FULL TRUNK PROTECTION

PROTECTION PACK

NAVITEL DUEL DASHCAM

THULE EXPERT ROOF MOUNTED BIKE CARRIER

START WITH THE PERFECT FIT

ARIYA

63kWh ADVANCE

The first choice for commuters with a family that crave weekend adventure with less need for regular long journeys. Coupe-Crossover style with front wheel drive, 160kW/217PS and 300Nm torque, 100mph top speed and delivering up to 250 miles range*.

*WLTP figures shown are for comparability purposes. Actual real-world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load.

CHARGE AHEAD

Keep the energy high and the expectations higher. Explore up to 250 miles* on a single charge. It's possible to charge your Nissan ARIYA with a variety of different methods. Whilst you're on the go, there is a wide network of public charging stations that offer Type 2 AC charging, or you can utilise ARIYA's 130kW DC CCS Charging Rate to charge your battery from 20% to 80% in just 30 minutes**.

22KW CHARGER OPTION

The 22kW AC Charger, additional cost option on the Nissan ARIYA 63kWh versions and standard on 87kWh versions, unlocks faster AC charging via its type 2 socket versus the standard 7.4kW AC charger found on the 63kWh Advance. This faster charger can cut the time of a full charge from circa 11hrs to 4hrs - almost three times quicker. However, to enable this faster charging rate, a 22kW charger requires a 3-phase energy supply.

For public charging, 22kW-capable AC charging stations are growing at a rapid rate, and are becoming more widespread. Buying the 22kW cost option onboard AC charger would unlock this faster charging potential in the public charging network.

For domestic use however, very few residential properties have 3-phase supply. To get 22kW charging at a home residence, significant investment would be required in installation. If a property does not have this 3-phase supply, then regardless of whether an ARIYA is fitted with the 22kW onboard charger cost option, it will only charge at a maximum of 7.4kW rate.

MOTABILITY OPERATIONS OFFER A FREE CHARGING SOLUTION FOR ELECTRIC VEHICLE DRIVERS

When placing your application with your dealer, say yes to be contacted by a charger supplier. You'll then be contacted by the supplier directly who will arrange the provision of a charging solution.

For more information on the Motability Operations offer of a charging solution (Terms & Conditions may apply) Please Click [here](#)

*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load.

**Information is indicative of the ARIYA 63kWh Advance. Indicated rapid charging time requires use of a CCS rapid charger (Up to 130kW) and may vary depending on factors including charging conditions, battery, and ambient temperature at point of use and if the battery safeguarding technology is activated. Visit [nissan.co.uk](https://www.nissan.co.uk) to find out more.

CHARGE ON THE GO

PUBLIC CHARGING STATIONS

There's an ever growing network of public charging stations where you can top up your Nissan ARIYA on the go. They are along major roads, in petrol stations and in several "public buildings". Just plot your itinerary on the map and choose the most convenient one for the journey.

CHARGE AHEAD

As of January 2025, There are over 109,000 charging connectors across the UK, including over 14,000 rapid chargers delivering over 50kW, accounting for approximately 20% of all UK charging devices.

*Information sourced from zap-map.com, January 2025

ELECTRIFY YOUR DRIVE

E-PEDAL STEP

Utilise the one pedal driving experience with Nissan's e-PEDAL Step*. Standard on all grades, e-PEDAL Step allows you to accelerate and brake, simply with accelerator. Once you try it, you won't want to go back!

NISSAN INTELLIGENT MOBILITY

As the halo for the NIM platform, the ARIYA comes equipped with a suite of safety features designed to work to try to keep you as safe as can be. From the Intelligent Around View Monitor to Intelligent Blind Spot Intervention, you can see how the car can help to ease your journeys.*

*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. E-PEDAL Step may require driver intervention in aggressive braking scenarios. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit www.nissan.co.uk/techterms.

GENUINE NISSAN ACCESSORIES

No journey is complete without Genuine Nissan Accessories.

From protection to styling, utility & cargo to tech, make your Nissan your own with our wide range of accessories. Browse our comprehensive range online and speak to your dealer about having them fitted before you pick up your new vehicle.

Why buy Genuine Nissan Accessories?

Safety

Nissan genuine parts and accessories have undergone thousands of hours of rigorous testing to meet the highest standards of quality and performance.

Reliability

Our accessories are built to last with added peace of mind from Nissan warranty cover.

Quality

You enjoy the same level of quality in our accessories as you do in your Nissan vehicle.

Perfect fit

Our accessories are made to perfectly fit your vehicle ensuring it runs at its optimum level and is ready for any adventure.

Hassle-free way to spread the cost

Managing the cost of Nissan's must-have accessories has never been easier. We have a number of finance options available including 0% finance, allowing you to spread the cost over 1 to 9 months interest free*.

With no fees or additional charges, you can keep personalise your Nissan without breaking the bank.

Visit www.nissan.co.uk/accessories to browse our full range and talk to your dealer about our finance options.

* Interest free finance available on Nissan Genuine and Accessory Select accessories. Available at participating authorised Nissan dealers only. Retail customers only. 4-9 month payment plan options available. All payments are interest-free and split equally. The first payment may be required on the day the payment plan is signed, dependent on the terms selected at the dealership. Spend must be between £150 and £3,000. Nissan reserves the right to amend or withdraw this offer at any time, without prior notice, including in the case of any events or circumstances beyond Nissan's reasonable control. Finance provided by Bumper International Limited. 18+, UK residents only. Subject to status. No fees, interest, or other charges, however a one-off missed payment fee (£12) may be charged. Missed payments may impact your credit score and your ability to borrow in the future. Recovering missed payments may involve using a debt collection agency, or legal action. Bumper isn't regulated by the FCA. See full T&Cs at bumper.co

The Nissan Motability Programme developed in association with the registered charity Motability helps you move through life with more confidence.

Terms & Conditions:

Nissan reserves the right to amend or withdraw offers at any time without prior notice, including in the case of any events or circumstances beyond Nissan's reasonable control.

- 1) Advance Payment offer valid for Motability applications from 1st April 2025 to 30th June 2025 at participating dealers and subject to vehicle availability.
- 2) Advance Payment varies according to model grade. For more information on full range Advance Payment, please refer to the Nissan Motability Price List (Prices effective from 1st April 2025 to 30th June 2025).
- 3) Motability vehicles available at a fixed weekly cost for the duration of your 3 year lease agreement. Where your weekly cost is less than your Motability total allowance, the difference will be paid directly to you by the Department for Work and Pensions (DWP) or Veterans UK depending on which allowance you receive.
- 4) Motability customers agree to pay all or part of the Motability Allowance (DLA, PIP, AFIP, WPMS, CDP or ADP (Scotland)) depending upon the vehicle chosen for the duration of the 3 year lease agreement.

For further information and details on the full range, please email your local Nissan Motability Accredited Dealer.

Images and descriptions shown are for guidance purposes. In some instances photos are of non-UK specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be available as standard or only as option.
