EXTERIOR DESIGN

Feature available depending on version, as standard or only as option (at an extra charge)

UK spec may vary

Rooted in Japanese design philosophy, the ARIYA draws its confidence from precision rather than excess. A bold new front face, and an exclusive new colour bring fresh energy to a silhouette already built to turn heads. Every detail is considered and every line is purposeful.

- A New styling for signature headlamps
- B 19" alloy wheels with aero cover
- C New Two-Tone Plasma Green Paint

- E Wheelbase – 2,775mm
- F Overall length – 4,595mm
- G Overall width without mirrors – 1,850mm
- H Overall height – 1,660mm

TECHNOLOGY

DRIVER ASSIST TECHNOLOGIES(1)

REAR AUTOMATIC BRAKING helps you back-up with more confidence. If a stationary object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a collision.

INTELLIGENT REAR VIEW MIRROR
The Intelligent Rear View Mirror system allows you to digitally see what is happening behind the car thanks to a built-in LCD monitor in the central mirror.

e-PEDAL STEP
Experience a more intuitive way to drive. e-Pedal Step lets you choose, with the option to accelerate and decelerate effectively with just the accelerator pedal.
Meanwhile leaving the brake pedal for harder braking and coming to a complete stop.

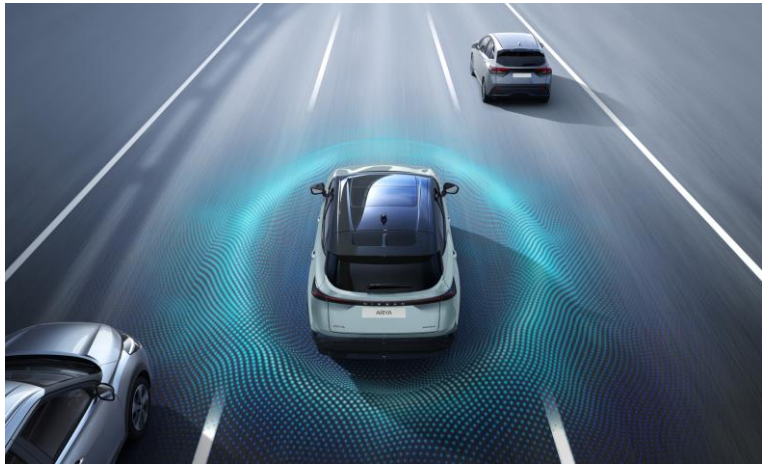

3D AROUND VIEW MONITOR(1)

Every parking spot, made simple. Intelligent 360° Around View Monitor (1) makes parking easier with an 8-point camera, skeleton view and T-Junction monitoring.

PROPILOT ASSIST WITH NAVI-LINK (1)/(2)

The New Nissan ARIYA is equipped with advanced ProPILOT(1)(2) safety technologies for a greater peace of mind and a safer drive

(1) (2) ProPILOT Assist is an Advanced Driver Assist technology but cannot prevent collisions.. ProPILOT Assist is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers). Driver should monitor all traffic sign and obey traffic laws. It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time. You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk

EV EXPERIENCE

Vehicle-to-Load (V2L)* technology lets you power your devices directly from the car, wherever you are.

*Functionality requires a V2L adapter available to purchase at an additional cost.
Supports appliances with power requirements up to 3kW

Travel up to 329mi [9] on a full charge and restore 0-80% to in as little as 30 minutes[10] with fast charging. Intelligent battery heating ensures optimum performance in any weather, while on the road, it's always smooth, swift and whisper-quiet.

The In-Car Route Planner keeps your journeys smooth, planning charging stops based on your battery level. It adapts to your daily habits, making range less of a concern.

NISSAN SERVICES

FIND YOUR DEALER

NISSAN'S UP TO 6 YEAR WARRANTY

At Nissan, we take pride in the quality and reliability of our electric vehicles. That's why we're offering up to 6 years' warranty on the New Nissan ARIYA .

You get 3 years / 60,000 mile manufacturer warranty as standard + up to 3 additional years of coverage, when you service at Nissan (7) .

How does it work?

1. Service as normal during the manufacturer warranty period.
2. Ensure the final service before your manufacturer warranty expires is at a Nissan Dealership or Authorised Repairer.
3. Service Activated Warranty is activated with 12 months additional cover.
4. Continue servicing with Nissan to stay covered, until your ARIYA is 6 years old or reached 100,000 miles.

For more information, visit www.nissan.co.uk/evservicewarranty

NISSAN UP TO 6 YEARS WARRANTY*

	YEAR					
	1	2	3	4	5	6
Nissan Manufacturer Warranty *3 Year / 60,000 miles*	√	√	√			
Nissan Service Activated Warranty *12 additional months following every service at Nissan up to 6 years / 100,000 miles*				√ (12 months warranty with a Nissan service)	√	√

NISSAN SERVICES

FIND YOUR DEALER

NISSAN SERVICE PLANS

Every time you service with Nissan, you'll receive the highest levels of service and aftercare that you can find. We aim to be clear, transparent and offer you great value with our fixed price service packages.

The best way to ensure your services are covered is to purchase an inflation-proof Service Plan when you purchase your new ARIYA.

- Spread the cost with fixed, manageable monthly instalments or with a single upfront payment.
- Your Nissan is guaranteed to be seen by expert trained technicians, using only Nissan Genuine Parts
- Covered by Nissan's Customer Service Promise, where you'll benefit from continuous Nissan Roadside Assistance and more.

NISSAN EXTENDED WARRANTY

A Nissan Extended Warranty offers the same cover as your original manufacturer warranty, saving upfront costs if any covered parts were to fail.

When the time comes and your manufacturer warranty ends, all you will need to do is purchase an Extended Warranty and have your ARIYA checked out by your Nissan dealer before the policy starts.

NISSAN ROADSIDE ASSISTANCE

All new Nissan vehicles come with free pan-European Roadside Assistance for the duration of the manufacturer warranty period. Nissan Roadside Assistance is there for you 24/7. From a flat tyre to lost keys or an accident, we help you get back on the road as fast as possible.

Plus, every time you service with Nissan, you'll get another year's roadside assistance included.

NISSANCONNECT SERVICES

Drive with confidence - Nissan's latest safety and vehicle health services are designed to support you proactively. In the MyNISSAN app [6], you'll receive alerts and relevant information in three key areas:

- Mechanical repair (malfunction indicator)
- Accident support (should you have a vehicle collision)
- Service reminders

From routine service to unexpected alerts, the app keeps you informed and in control — so your vehicle always performs at its best and you enjoy a safer, smoother drive.

BENEFIT

Enjoy peace of mind knowing Nissan is always ready to support you.

IF WARNING LIGHTS APPEAR ON YOUR DASHBOARD

When a warning light appears, in MyNISSAN[6][7] app you receive alerts with clear explanations and solutions based on the severity of the issue, helping you understand the problem and take the right action with confidence. Need further support? You can contact Nissan Roadside Assistance directly through the app.

IF YOU HAVE A VEHICLE COLLISION

If your Nissan has been involved in an accident, Nissan Accident Support can help guide you through the next steps – from immediate advice to repairs at a Nissan Approved Bodyshop. Nissan Accident Support is our free, 24-hour service available to any Nissan customer and can be accessed via the MyNISSAN app.

WHEN IT'S TIME FOR A SERVICE

Through the MyNISSAN app you can set up your next service reminder and book online via the app. This helps ensure your Nissan vehicle stays safe, performs at its best, and runs efficiently.

HOW TO BENEFIT

- Log in to the MyNISSAN app.
- Keep Privacy Mode OFF to allow vehicle data sharing with Nissan.

(6) Please refer to the last page of this document

(1) (2) ProPILOT Assist is an Advanced Driver Assist technology but cannot prevent collisions.. ProPILOT Assist is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers). Driver should monitor all traffic sign and obey traffic laws. It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time. You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk

(3)Google, Google Play, Android Auto, Google Maps, Android Auto™ and other marks are trademarks of Google LLC. Over the air updates are free for 5 years from the warranty start date.

(4) Google Assistant may be invoked prior to use

(5) To use the Google Play app you will need to ensure you have a secure data connection through mobile phone, data tethering is an extra. Feature available depending on version, as standard or only as option (at an extra charge).

(6) To use MyNISSAN you need a smartphone with compatible iOS or Android operating system and a SIM card with data option from a mobile service provider. Download the free MyNISSAN app and create a username and password. Connect your smartphone with your vehicle equipped with MyNISSAN app by logging in using your username and password. All services are subject to mobile network coverage. Compatible connected devices are required. The MyNISSAN app will be renamed to MyNISSAN app in the future. Some services will be subject to a fee for the subscription period detailed in the connectivity app (MyNISSAN app/MyNISSAN). For more information, please visit your app, Nissan website, or Nissan dealer.

(7) Nissan Service Activated Warranty available on the All-New Nissan MICRA, All-New Nissan LEAF and New Nissan Ariya (MY26) only. Excludes non-UK, non-EEA or Switzerland specification vehicles. Nissan 3 year/60,000 miles manufacturer warranty applies to all Nissan passenger vehicles as standard. Electric vehicle battery coverage and EV components warranty are subject to separate manufacturer warranty terms. To qualify for the Nissan Service Activated Warranty, the eligible EV must be serviced in line with Nissan's recommended service schedule (timings based on model and/or mileage, consult your vehicle Service and Maintenance Booklet) during the manufacturer warranty period. Provided the vehicle has been serviced in line with these requirements, the scheduled service prior to the manufacturer expiry date must then be completed at a Nissan Dealership or Authorised Repairer. Service Activated Warranty will then commence. Cover is then provided for up to 12 months following each qualifying service until the vehicle's sixth anniversary (72 months) or until the EV reaches 100,000 miles, whichever is sooner. Service Activated Warranty is transferable to subsequent owners, subject to ongoing eligibility. For qualifying EV's purchased outside of the Nissan network, a vehicle health inspection will be required before activation. If a scheduled service is missed or carried out outside the Nissan network, cover will lapse. Electric vehicle battery coverage is subject to separate manufacturer battery warranty terms. Cover excludes routine servicing, normal wear and team items and damage caused by accidents, misuse, neglect or external influences. Nissan Service Activated Warranty is provided by Car Care Plan Limited. Registered Office: Jubilee House, 5 Mid Point Business Park, Thornbury, West Yorkshire BD3 7AG. Registered in England Number: 850195. VAT Number: 691 3798 88. Car Care Plan Limited is authorised and regulated by the Financial Conduct Authority.

(8) Accessories and any additional equipment fitted by the customer may have an impact on the communicated range figures of the car. Nissan Genuine Accessories are covered by the new vehicle warranty of 3 years/100,000km (whatever comes first), if fitted by a Nissan dealer or Nissan repairer before Vehicle Handover or during the new vehicle warranty period. Genuine Accessories fitted outside of the new vehicle warranty period or by a Third Party or by the Customer are only covered by the Nissan Genuine Parts and Accessories Warranty of 12 months/ unlimited mileage.
Nissan Select Accessories provided by Nissan approved partners. They are providing warranty under their terms and conditions, which are one year warranty minimum. For further details please contact your Nissan dealer. Max. towing capability is dependent on grade, specification, and powertrain.

(9) Up to 329 miles range refers to the New Nissan ARIYA 87kWh on a full charge. WLTP figures shown are for comparability purposes. Only compare electric range figures with other cars tested to the same technical procedures. Actual real world driving results may vary depending on factors including the starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load.The range data are obtained from laboratory tests, in accordance with European regulations, and are intended to compare different types of vehicles. This information does not refer to a specific vehicle and does not form part of the offer. These figures may differ from those obtained in real driving conditions. Optional equipment, maintenance, driving style and non-technical factors such as weather conditions may influence the official results. The data were established as part of the Worldwide Harmonised Light Vehicles Test Procedure (WLTP). (1) In accordance with Directive 1999/99/EC. (2) In accordance with European Directive No. 92/21, amended by Directive 95/48, the mass in running order considers a fuel tank filled to 90%, 68 kg for the driver, 7 kg for luggage, coolant, lubricants, the spare wheel and tools. This weight corresponds to the base version with standard equipment and increases with optional equipment.

(10) Figures quoted are for New Nissan ARIYA with 130 kW DC charging. Charging time may vary depending on charging conditions, including charger type and condition, on-site power usage, battery temperature as well as ambient temperature at point of use, battery age and state of charge, and if battery safeguarding technology is activated.

Defy Ordinary

Every effort has been made to ensure that the content of this publication is correct at the time of going to press (May 2026). In accordance with the company's policy of continuously improving its products, NIssan reserves the right to change at any time the specification and the vehicles described and shown in this publication. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. – MY26 ARIYA brochure 05/2026.
